

**Amendments to the Drawings**

Amended Figs. 1 and 8 are included as Enclosures.

Fig. 1 is amended so that the arrow with the line between boxes 32 and 34 points in the opposite direction. Applicant's specification supports this amendment on page 11, lines 4-7. (The amendment also makes Fig. 1 consistent with Fig. 2.)

Fig. 8 is amended to replace “ミ ラ” (Japanese for “mirror”) with “Mirror.”

**REMARKS**

Claims 14, 15, 21, 22, 26, 27, and 30 remain pending, of which claims 14, 15, 21, 26, 27, and 30 are currently amended. Claims 1-13, 16-20, 23-25, 28, and 29 are canceled. No claims are added.

Claims 11-13, 16-20, 23-25, and 28 are rejected under 35 U.S.C. § 102(b), and claim 29 is rejected under 35 U.S.C. § 103(a). As is apparent above, these claims are now canceled, thereby rendering their rejections moot.

Applicant appreciates the indication that claim 30 is allowed and that claims 14, 15, 21, 22, 26, and 27 would be allowable if claims 14, 21, and 26 are rewritten in independent form. As shown above, claims 14, 21, and 26 are now in independent form. The claims are also amended in some situations to address informalities.

Additionally, Figs. 1 and 8 are amended as discussed above and shown in the Enclosure to address informalities. No new matter is added.

In view of the remarks above, applicant now submits that the application is in condition for allowance. Accordingly, a Notice of Allowability is hereby requested. If for any reason it is believed that this application is not now in condition for allowance, the Examiner is welcome to contact applicant's undersigned attorney at the telephone number indicated below to discuss resolution of the remaining issues.

If this paper is not timely filed, applicant petitions for an extension of time. The fee for the extension, and any other fees that may be due, may be debited from Deposit Account No. 50-2866.

Respectfully submitted,  
**WESTERMAN, HATTORI, DANIELS & ADRIAN, LLP**
